Have you always believed that seriously cool shoes that are seriously comfortable are just an impossible dream?

Not anymore. Introducing the Tamami – a range of shoes designed to combine Birkenstocks legendary comfort with Japanese cool. We don't mean to brag or anything but WE ARE THE FIRST ONES IN AUSTRALIA WITH THE RANGE! Designed in Japan, made in Japan, Tatami's are crafted from soft leather whilst using Birkenstock foot beds so they are as beautiful as they are comfortable! So come in and check them out! Mention this ad and we'll even give you 20% off any Tatami's in the store
